## Sponsorship Package Details

**Plenary Talk:** A speaker from your organization can give a 45 minute plenary talk on your choice of optics or photonics research. Food and lodging will be provided by the conference organizers.

**Conference Event Sponsorship:** One conference event, such as a student presentation session or professional development session, will be named in honor of your company and a table will be made available for your use in the event room. Please contact us to discuss event availability and options.

**Pre-Session Advertisement:** A two-slide advertisement of your products, research, or services will be presented at the beginning of an event.

**Program Advertisement:** Full (Gold) or half (Silver) page advertisements of your organization will be printed in the conference program. Platinum sponsors will have a logo on the cover page as well as a full page advertisement later in the program.

**Conference Bag Pamphlets:** Pamphlets, brochures, or other promotional materials from your organization will be included in the conference bags provided to all attendees.

**Poster Session Exhibit:** A table will be provided for each organization at a student poster session that may be used for information distribution and organization promotion.

**Industry Event Attendance:** One invitation will be provided to each organization for an IONS Midwest industry workshop to network with attendees and other industry members.

**Logo Display and Website Description:** Your logo will be displayed on banners throughout the conference and in the program. A short description of your organization will be placed on the IONS Midwest website.
